

TABLETOP COMPACT SLIM A

UV-beständig und schlagfest /
UV-resistant and impact-resistant /
Résistant aux UV et aux chocs

Sehr pflegeleicht /
Très facile à entretenir /
Very easy to clean

Trendtipp abgerundete Ecken / Trend tip: rounded corners /
Tendance : les angles arrondis

Attractive decors characterize the slim Compact Slim A tabletop, which is suitable for both indoor and outdoor use. The easy-care surface made of highly compressed HPL laminate is UV-resistant and, in terms of its durability, corresponds to the material specified in DIN EN 438 for kitchen worktops. The impact-resistant tabletop is available in square and round shapes. The edge color is dark—regardless of shape and decor—and, in addition, differs from the "Compact Slim" by its rounded edges.

- très facile à entretenir
- UV-resistant and impact-resistant
- Trend tip: rounded corners
