ARMCHAIR TANO

The stackable Tano chair impresses with its minimalist design and gently curved lines. The aluminium frame, available in silver or black powder-coated finishes, is combined with a flexible Textilene outdoor fabric that comfortably adapts to the body and provides a high level of seating comfort. The water-repellent, quick-drying fabric does not absorb water and is quickly ready for use again after a rain shower. Solid, untreated teak inserts in the armrests add a warm, elegant accent and complete the timeless design.

- Flexible Textilene fabric for high seating comfort
- Water-repellent, quick-drying and weather-resistant
- Stackable aluminium frame with solid teak inserts in the armrests
