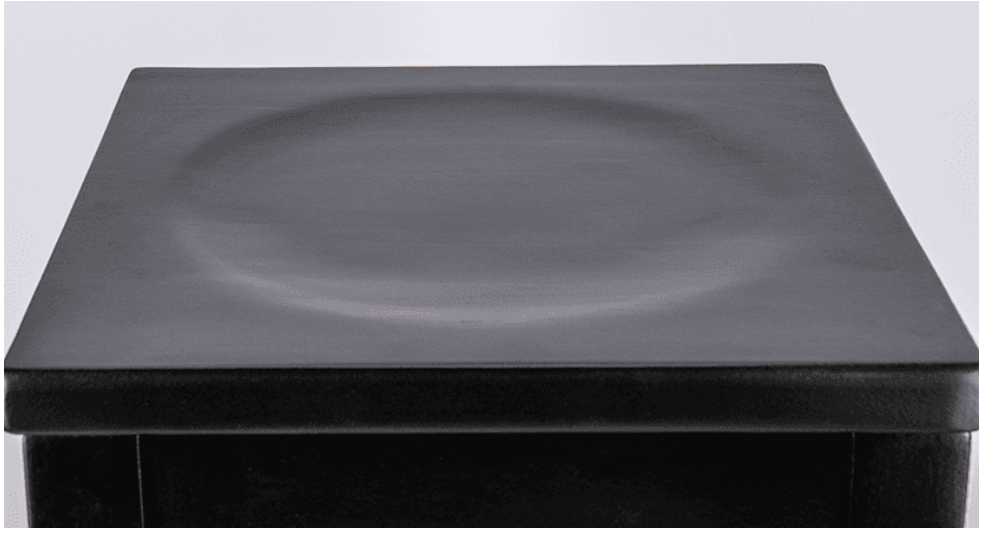
COUNTER-HEIGHT STOOL **DELU**



This solid wood bar stool is designed for professional use in gastronomy, hotels, and cafés. Its sturdy construction made of solid wood ensures high durability and a long lifespan in daily operation. It is optionally available with an ergonomically shaped solid wood seat with a contoured recess or a padded seat with a wide selection of upholstery fabrics. The stool is manufactured in natural oak, black beech, or walnut-stained beech and can optionally be equipped with a stainless steel kick protection. Also available as a counter-height version, it combines functionality, comfort, and classic design – ideal for bars, restaurants, or hotel lounges.
