

ARMCHAIR OMERO

The Omero armchair in elegant wickerwork transforms outdoor areas into feel-good zones. The aluminum frame is woven with a flat polyethylene band in coffee brown. The feet are made of aluminum with a stainless steel look. The seat and back cushions are fitted with a removable and washable SUNBRELLA or AGORA cover. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and ensure that they are completely dry before storing and covering them.
