

## CHAIR LIAH

The Liah model with and without armrests is timeless and classic. The simple and at the same time modern design with a frame made of beech wood, stained in the colour oak or walnut, creates an inviting atmosphere. With the different backrest heights of the chair and armchair, individual room concepts can be designed. The model is comfortable and, with its functional and ergonomic shape, has many uses in the health & care sector. Optionally, the chair can also be equipped with castors on the front legs so that the seated person can easily be moved to the table from behind. For the upholstery, there is a choice of different flame-retardant and easy-care cover materials such as Parotega, Paratexa, Marou, Addison and Sheldon, which are especially suitable for the health & care sector.

- Ergonomic handling
- Optionally with castors
- Special fabrics for care areas

**£298.00**
