

UMBRELLA SAMA

The functional one: with a range of 2.4 x 2.4 metres, the square Sama can be used almost anywhere. The weatherproof parasol cover comes in a natural colour and is made of polypropylene. The pole has a 40 mm diameter and is made of anodised aluminium. Sama provides UV protection up to SPF 80 in line with UV Standard 801. The cover can be removed and washed. A 50 kilogram base with trolley function can be ordered separately.

- Weatherproof sunshade cover
- Light and stable
- universally applicable
