

ARMCHAIR **NEBI**

Our reinterpreted Nebi rattan piece of furniture looks very modern again thanks to its extravagant, classic design. The round contour of the seat shell, combined with hand-woven craftsmanship, makes the polyethylene wickerwork look very light and airy. The seat and back cushions are fitted with a removable and washable SUNBRELLA or AGORA cover. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and make sure they are completely dry before storing and covering them. The Nebi is ideal for outdoor use.
