

## DINING TABLE **TORGER T**

Straightforward and modern, the solid table-bench set Torger impresses with its design. It is available in two different sizes and in the colors phoenix brown and rabac. The aluminum frame is powder-coated in silver or anthracite, while the tabletops and seating surfaces are made of high-density laminate. The versatile Compact Slim top is ideal for both indoor and outdoor use. The surface is made of easy-care, high-pressure laminate (HPL), which is UV-resistant and highly durable. The top complies with the requirements of DIN EN 438, which applies to kitchen countertops, and offers exceptional resistance. In addition, it is impact-resistant and therefore perfectly suited for demanding applications.
