

SEAT CUSHION CAMILA

Camila seat cushion is ideal for increasing the comfort of outdoor chairs. You can choose from four shapes and six color options. The cover is removable and washable.

- Fit & flexibility: Four shapes – suitable for nearly all seating furniture in the range, from chair to bench
- Professional-grade outdoor material: Agora Liso is UV-resistant, mould-resistant, water-repellent, breathable and quick-drying – with high lightfastness
- Easy Care & design freedom: Removable and washable, plus a wide choice of colours for tone-on-tone or strong colour accents in the project
