

DINING TABLE **RODRIK**

This high-quality hospitality table combines premium materials with thoughtful construction. The solid tabletop made of 4 cm thick oak with continuous lamellas represents the highest standard in furniture manufacturing and impresses with its natural, elegant appearance. A durable, easy-care lacquer coating protects the surface, making it ideal for everyday use. Steel reinforcements underneath the tabletop prevent warping and ensure long-lasting shape stability. The sturdy steel frame guarantees maximum stability and durability – perfect for professional use. Available in two sizes: 90 × 180 cm and 100 × 240 cm. Custom sizes available upon request.
