CORNER ELEMENT **RIPPLE**

The Ripple bench system impresses with its elegant horizontal channel stitching and versatile application options. It consists of 60 cm and 120 cm elements as well as a Corner element (70x70 cm) and can be easily linked together. The version is available both freestanding and as a wall-mounted option with a stretch fabric back. The channel stitching, running at varying depths, makes the backrest particularly comfortable and inviting. The frame is available in dining table and high table height and can be combined with feet and plinth panels in various colours. With its stylish design and high level of seating comfort, the system is ideal for restaurants, cafés and lounges.
