BAR STOOL **PENYA**

The Penya bar stool is designed for heavy outdoor use: a powder-coated aluminium frame ensures low weight and high stability. The quick-drying weave does not absorb water, does not become saturated and is ready for use again immediately after rain. A matching seat cushion is included and provides comfortable seating in daily operation. UV-resistant, weatherproof materials prevent fading and make the chair suitable for use across seasons. The smooth surfaces can be cleaned quickly and easily – ideal for terraces, beer gardens or hotel pools. Available in two colours and also as an armchair matching the same design.

- Quick-drying weave that does not absorb water and can be used again immediately after rain
- Lightweight and stable powder-coated aluminium frame
- UV-resistant, weatherproof and can be cleaned in seconds, ideal for permanent outdoor use
- Quick-drying mesh - can be used again immediately after rain
- Lightweight, sturdy, and stackable
- UV-resistant and weatherproof
