

ARM CHAIR **PENRA**

Our outdoor armchair Penra impresses with a smooth tubular frame made of powder-coated aluminum in an elegant wood look, which appears like a warm wooden frame and emphasizes the organic design language. The wicker dries quickly, does not soak up water, and is extremely easy to care for. All materials are weatherproof and UV-resistant, and the chair is also stackable, making it ideal for professional use in gastronomy, hotels, and contract settings.
