

ARM CHAIR MAVIEL

Hoher Stabilität und Korrosionsschutz /
High stability and corrosion protection /
Haute stabilité et protection contre la corrosion

Markantes A-förmiges Gestell /
Distinctive A-shaped frame /
Cadre distinctif en forme de A

Wetterfest und schnell trocknend /
Weatherproof and quick-drying /
Résistant aux intempéries et séchant rapidement

The outdoor chair Maviel is designed for permanent use in outdoor areas and combines a clean look with high everyday practicality. Its distinctive feature is the A-shaped frame: a striking, architectural line design that gives the chair an independent silhouette and visual lightness. The powder-coated aluminum ensures stability, low weight, and long-lasting corrosion protection. The backrest made of weather-resistant synthetic rope picks up the modern form, offers pleasant flexibility, and does not absorb water when it rains. As a result, the chair dries quickly and is ready for immediate use again without extensive maintenance. The design is complemented by a matching Olefin seat cushion that is colorfast, UV-resistant, and easy to care for.

- Striking A-shaped frame with a clean, distinctive design silhouette
- Weather-resistant rope weave that does not absorb water and dries extremely quickly
- Lightweight, powder-coated aluminum frame with high stability and corrosion protection
