Hitzebeständige, Antibakterielle, Fleckenunempfindliche Keramikoberfläche /
Heat-resistant, antibacterial, stain-resistant ceramic surface /
Surface céramique résistante à la chaleur, antibactérienne et résistante aux taches

Boatnic is a fixed table-and-bench solution in a modern boat shape and offers seating for 6–8 people – ideal for gastronomy, contract and public spaces. Two separate seating surfaces made of powder-coated aluminium allow comfortable seating without having to lift legs or climb and encourage spontaneous encounters and interaction. Weather-resistant, low-maintenance materials make Boatnic perfect for heavily frequented outdoor areas. Available options include a fully powder-coated aluminium version or a variant with an aluminium substructure and ceramic surfaces. The ceramic surfaces are heat-resistant, scratch-resistant, stain-resistant, UV-resistant, hygienic and easy to clean. Delivery is flat-packed.

- Comfortable access without climbing for 6–8 people
- Weather-resistant and low-maintenance for heavily frequented outdoor areas
- Premium ceramic surface, heat-resistant, antibacterial, stain-resistant
