

ARM CHAIR **EVIDA**

The project seminar chair delivers maximum robustness with minimal weight – indoor and outdoor. Glass fiber reinforced polypropylene makes it UV-resistant, weatherproof, and permanently dimensionally stable – ideal for intensive use. The easy-care, abrasion-resistant surface saves time in operation. The durable construction reduces maintenance effort and protects the budget over the entire period of use. Available in two shell colors: Black and Taupe – the professional all-rounder.

- Indoor/Outdoor professional: UV-resistant, weatherproof, dimensionally stable – ready for any environment.
- Robust & ultralight: Glass fiber reinforced PP, very light and handy
- Easy-care & durable: Abrasion-resistant surface, minimal cleaning effort
