

ARMCHAIR **HELLI**

Our armchair Helli brings classic ice cream parlor flair to your gastronomy – in robust GO IN quality. Rubber buffers between the metal parts significantly reduce rattling noises when sliding and stacking. The optimized seat-back angle ensures comfortable seating, even when guests stay longer. Grooved, anodized aluminum slats give a striking look and make the surface scratch-resistant, corrosion-resistant, and easy to maintain. The chair is stackable and is ideally complemented by the matching table.

- Noise-reduced design for quiet handling
- high seating comfort
- scratch-resistant and corrosion-resistant
