GO IN

STOOL TEVORA

The modular lounge sofa offers outstanding seating comfort, long-lasting quality, and flexible planning options for professional contract environments. The single-seat element, corner element, and ottoman can be combined individually and adapted to a wide range of room concepts. High-quality Nosag spring suspension and durable upholstery ensure exceptional comfort and stability, delivering reliable performance even under intensive daily use. Thanks to the extensive selection of materials and colours available within the GO IN fabric concept, the sofa can be perfectly tailored to any project. Its understated design blends seamlessly into a variety of interior styles, making it ideal for restaurants, hotels, meeting rooms, waiting areas, and modern lounge spaces. Designed to meet the demands of the contract sector and built for everyday use.
