Utilisation universelle

Stapelbar / Stackable / Empilable

The professional seminar chair Yenni impresses with its modern design, high level of seating comfort and flexible application possibilities. It is available either with or without armrests and, thanks to its stable sled base frame, ensures comfortable seating even during longer events. Yenni is stackable, allowing it to be stored in a particularly space-saving way. The chair is available in three attractive colours; additional colours are available on request. The delicate frame is available either in elegant chrome or classic black and can support loads of up to 160 kg. Optionally, Yenni can be equipped with a linking device. Ideal for seminar rooms, conference areas and waiting zones.

- Available with or without armrests
- Lightweight, stable and load-bearing up to 160 kg
- Stackable and universally applicable
