Sturdy & scratch-resistant

With its functional design and sturdy construction, the Kurus table base is the ideal complement to chairs and stools in an industrial style. The black powder-coated steel base can be flexibly combined with various table tops and is available in a version for indoor use as well as a design specifically intended for outdoor use. The distinctive crossbars emphasise the characteristic industrial style and make Kurus particularly appealing for modern hospitality and outdoor projects. At the same time, the base stands out in everyday use: its robust surface is scratch-resistant and easy to maintain. Adjustable floor glides compensate for uneven floors and ensure a secure, stable stance.

- indoor & outdoor: versatile for a wide range of gastronomy areas
- Robust & easy-care: scratch-resistant, black powder-coated steel surface for daily use
- Secure footing: Adjustable Floor glides reliably compensate for uneven floors
